

Welcome to Frankfurt. The whole world awaits you.

For us, organising trade fairs means bringing people together. We very much hope to be able to welcome you to the Frankfurt exhibition grounds soon. You will find more detailed directions on how to get to us on the websites of the individual events.

Getting to Messe Frankfurt by car.

Coming from the motorway or downtown Frankfurt simply follow the signs to "Messe Frankfurt". They will guide you to us via the shortest route.

How do I find a place to park?

Our Rebstock multi-storey car park provides 5,400 parking spaces. This is clearly signposted and is easily accessed from the A5 motorway. A further 10,000 parking spaces are available next to the multi-storey car park in the Rebstock grounds. A free shuttle service is available to take you to the exhibition grounds.

Please note that the multi-storey car park is only open during major trade fairs.

A5 → Junction 19 → A648 → Multi-storey car park

A5 motorway in the direction of Frankfurt

Junction 19 Westkreuz

A648 in the direction of Frankfurt Stadtmitte / Messe
please follow the signs for Messe, Parkhaus Rebstock

What should I enter into my satnav?

Your navigation system knows where we are. Simply enter [Zum Messeparkhaus Rebstock](#),

To directly access the exhibition grounds:

[West Gate](#) Straße der Nationen

[North Gate](#) Katharinenkreisel → follow the signs

[East Gate](#) Brüsseler Straße

[South Gate](#) Europa-Allee → follow the signs

[Gates 8 and 9](#) Katharinenkreisel → follow the signs

We keep things simple and have linked the respective streets with Google Maps for your smartphone. Just click on the street to transfer the coordinates to your smartphone.

Barrier-free exchanges.

To ensure all visitors quickly get to where they want to be, Messe Frankfurt makes sure the distances our visitors have to cover are as short and direct as possible. Barrier-free access points and connected walkways offer plenty of scope for exchanges also for those with restricted mobility. The Via Mobile covered moving walkway allows you to comfortably reach all of the halls.

For more information, please see our “Barrier-free exchanges” brochure or the site map.

Info hotline for people with restricted mobility:

barrierefrei@messefrankfurt.com

My car runs on electricity.

We welcome low-emission electric vehicles. On request, we are happy to reserve a parking space with a charging socket for you. As we are still developing the network and there is only a limited number of charging stations available, we advise you to make your reservation early:

emobil@messefrankfurt.com

Is Messe Frankfurt in a low-emission zone?

The Frankfurt exhibition grounds are large and border on the city centre low-emission zone. The West Gate, North Gate and Rebstock car park can be accessed via the A5 motorway without a corresponding badge.

For more information about Frankfurt’s low-emission zone go to

www.umweltzone.frankfurt.de

Accessing the exhibition grounds by car.

Messe Frankfurt is also open to you outside show times.
After registering, you can access the exhibition grounds by car or taxi at the following gates:

24-hour service:

[North Gate](#) via Katharinenkreisel

Workdays 6 a.m. to 6 p.m.:

[South Gate](#) via Europa-Allee

[West Gate](#) via Straße der Nationen

Traffic information.

Due to construction works in the vicinity of Güterplatz / Europa-Allee, there may be road closures and detours in Frankfurt city centre. Visitors arriving via the South (Tor Süd) or East Gate (Tor Ost) are advised to keep themselves informed about daily traffic updates.

<https://www.vgf-ffm.de/en/aktuellpresse/planned-construction/europaviertel-construction-project/>

Construction works in the exhibition grounds may restrict access for assembling and dismantling your stand.

Please refer to the respective event website for information about the current traffic situation.
